The University of Chicago.

John Muir, Esq.

President of the Sierra Club
of San Francisco.

My dear Sir:

Mrs. Edwin
Abbot has requested me
to write a notice of
the life of his son, my
old classmate and
chum, in response to
a request from your
society for a short
memoir to accompany
the account of his last
fatal expedition. It will
give me great pleasure
to put in permanent
record my knowledge

of his rare and brilliant
life.

Will you be good enough
to let me know how
much space you wish
to devote to this purpose
and the date of publication
so that I may be able
to place in your hands
whenever required a suit-
able article.

Very truly yours,

Robert Herrick
